129 results matching for 'Applications Accepted' during January 2006.

| Number                     | Title                                                                                                                                | Date        |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------|-------------|
| <a href="#">2001268718</a> | Aryl phenylheterocyclyl sulfide derivatives and their use as cell adhesion-inhibiting anti-inflammatory and immunosuppressive agents | 04 Jan 2006 |
| <a href="#">2002318175</a> | Compositions and methods for treating hyperimmune response in the eye                                                                | 04 Jan 2006 |
| <a href="#">2002229617</a> | Method for selecting a formulation for one or more layers of a multi-layer coating                                                   | 04 Jan 2006 |
| <a href="#">2001272927</a> | Neurotoxin implant                                                                                                                   | 04 Jan 2006 |
| <a href="#">2002306031</a> | A process and a device for transport of gas                                                                                          | 04 Jan 2006 |
| <a href="#">2001270286</a> | Base portion of a plastic container                                                                                                  | 04 Jan 2006 |
| <a href="#">2001259029</a> | Il-17 receptor like molecules and uses thereof                                                                                       | 04 Jan 2006 |
| <a href="#">2001264694</a> | Pharmaceutically active compounds and methods of use                                                                                 | 04 Jan 2006 |
| <a href="#">2004200529</a> | A Three Mode Lock                                                                                                                    | 04 Jan 2006 |
| <a href="#">2001264494</a> | A combination product comprising melagatran and a factor xa inhibitor                                                                | 04 Jan 2006 |
| <a href="#">2001264495</a> | A combination product comprising melagatran and a factor viia inhibitor                                                              | 04 Jan 2006 |
| <a href="#">2002244545</a> | Water-injected screw compressor                                                                                                      | 04 Jan 2006 |
| <a href="#">2001283993</a> | Stabiliser for an underwater towed antenna                                                                                           | 04 Jan 2006 |
| <a href="#">2001261912</a> | Treatment of effluent                                                                                                                | 04 Jan 2006 |
| <a href="#">2001282988</a> | Methods for treating atopic disorders                                                                                                | 04 Jan 2006 |
| <a href="#">2001237526</a> | Pharmaceutical compositions containing 3-amino-azetidine derivatives, novel derivatives and preparation thereof                      | 04 Jan 2006 |
| <a href="#">2002216029</a> | A combination comprising camptothecin and a stilbene derivative for the treatment of cancer                                          | 04 Jan 2006 |
| <a href="#">2003200295</a> | Fungicidal mixtures based on amide compounds and pyridine derivatives                                                                | 04 Jan 2006 |
| <a href="#">2001283959</a> | Novel coumarin derivatives and the salts thereof, a process for the preparation thereof and their use in the pharmaceutical field    | 04 Jan 2006 |
| <a href="#">2001290781</a> | Customized vision correction method and business                                                                                     | 04 Jan 2006 |
| <a href="#">2001297967</a> | Iris pattern recognition and alignment                                                                                               | 04 Jan 2006 |
| <a href="#">2002240070</a> | Reconstitution device and method of use                                                                                              | 04 Jan 2006 |
| <a href="#">2002237814</a> | Multispeed power tool transmission                                                                                                   | 04 Jan 2006 |
| <a href="#">2001273746</a> | Can lid                                                                                                                              | 04 Jan 2006 |
| <a href="#">2001296759</a> | Priming system for an engine carburetor                                                                                              | 04 Jan 2006 |
| <a href="#">2005205793</a> | A Dowelling Jig                                                                                                                      | 04 Jan 2006 |
| <a href="#">2003248477</a> | Ostomy coupling                                                                                                                      | 04 Jan 2006 |
| <a href="#">2001289050</a> | Mixing high temperature gases in mineral kilns                                                                                       | 04 Jan 2006 |
| <a href="#">2003213540</a> | Combination meningitidis B/C vaccines                                                                                                | 04 Jan 2006 |
| <a href="#">2003266935</a> | A collecting bag having foldable closure                                                                                             | 04 Jan 2006 |
| <a href="#">2002233424</a> | Peptides having affinity for the GP120 viral protein and use thereof                                                                 | 04 Jan 2006 |
| <a href="#">2001291516</a> | Treating fabric for manufacturing filter bags                                                                                        | 04 Jan 2006 |
| <a href="#">2001284647</a> | Improved safety cryotherapy catheter                                                                                                 | 04 Jan 2006 |
| <a href="#">2003211281</a> | Air conditioner, remote controller, and ultrasonic wave generating unit                                                              | 04 Jan 2006 |
| <a href="#">2001272363</a> | A ventilating device                                                                                                                 | 04 Jan 2006 |
| <a href="#">2004249786</a> | Roadside post                                                                                                                        | 04 Jan 2006 |

| Number                     | Title                                                                                                       | Date        |
|----------------------------|-------------------------------------------------------------------------------------------------------------|-------------|
| <a href="#">2004200475</a> | Apparatus and method for accessing and processing reflection image from microwell-plate-based biochip       | 04 Jan 2006 |
| <a href="#">2003231308</a> | Methods and apparatus for identifying live eggs by detecting embryo heart rate and/or motion                | 04 Jan 2006 |
| <a href="#">2001279155</a> | Carbon monoxide hydrogenation                                                                               | 04 Jan 2006 |
| <a href="#">2002216074</a> | Tetralone derivatives                                                                                       | 04 Jan 2006 |
| <a href="#">2004203624</a> | Energy monitoring and charging system                                                                       | 04 Jan 2006 |
| <a href="#">2001245842</a> | Method and apparatus for achieving prolonged battery life                                                   | 04 Jan 2006 |
| <a href="#">2002252970</a> | Method and apparatus for disinfecting a product by surface treatment thereof                                | 04 Jan 2006 |
| <a href="#">2001252213</a> | Elastic film                                                                                                | 04 Jan 2006 |
| <a href="#">2001253904</a> | Information portal                                                                                          | 04 Jan 2006 |
| <a href="#">2003201400</a> | Building blocks for reinforced concrete walls                                                               | 04 Jan 2006 |
| <a href="#">2004202369</a> | Multi-function Stalk Switch                                                                                 | 04 Jan 2006 |
| <a href="#">2003260175</a> | Vibratory conveyor                                                                                          | 04 Jan 2006 |
| <a href="#">2003200427</a> | No-rinse method for repairing coated surfaces                                                               | 04 Jan 2006 |
| <a href="#">2001278300</a> | Hot-air lid                                                                                                 | 04 Jan 2006 |
| <a href="#">2002363327</a> | Multi-mode searchlight                                                                                      | 04 Jan 2006 |
| <a href="#">2001256497</a> | Screen assembly for combined sewer overflow weir                                                            | 04 Jan 2006 |
| <a href="#">2003246005</a> | Gaming device having a varied wild symbol in a bonus game                                                   | 04 Jan 2006 |
| <a href="#">2002352171</a> | Device for producing foil rolls                                                                             | 04 Jan 2006 |
| <a href="#">2002300673</a> | Delay-interruption connector for pneumatic tool                                                             | 04 Jan 2006 |
| <a href="#">2003248177</a> | Cartridge strip advancing mechanism for fastener driving tool                                               | 04 Jan 2006 |
| <a href="#">2003219958</a> | Polypeptide formulation                                                                                     | 04 Jan 2006 |
| <a href="#">2002212326</a> | Vaccine composition comprising an antigen and a peptide having adjuvant properties                          | 04 Jan 2006 |
| <a href="#">2000265409</a> | Method of placing fibers into channels of a mold and fiber placement head for accomplishing same            | 04 Jan 2006 |
| <a href="#">2002311241</a> | Drill bit                                                                                                   | 04 Jan 2006 |
| <a href="#">2002228978</a> | Pant-like absorbent garment having tailored flap and leg elastic                                            | 04 Jan 2006 |
| <a href="#">2004200771</a> | Absorbent Articles with Refastenable Side Seams                                                             | 04 Jan 2006 |
| <a href="#">2002210827</a> | Process and installation for separation of air cryogenic distillation integrated with an associated process | 04 Jan 2006 |
| <a href="#">2003227219</a> | System and Method for Determining and Employing Consumable Use By Electric Arc Welders                      | 04 Jan 2006 |
| <a href="#">2001287206</a> | Composite material support structures with sinusoidal webs and method of fabricating same                   | 04 Jan 2006 |

# Terms and Conditions

## General

The information provided in this report is not in the nature of legal or other professional advice.

The information provided in this report is derived from third parties and may contain errors. You must make your own enquiries and seek independent advice from the relevant industry professionals regarding any information in this report.

Patents, patent applications, trademarks and trademark applications shown as lapsed or ceased may be restored at a later date.

## Disclaimer of warranty and limitation of liability

Neither IPMonitor, its affiliates nor any of their respective employees, agents, third party content providers or licensors warrant that the information contained in this report is error free; nor do they make any warranty as to the accuracy, reliability or content of any information in this report.

This report is provided on an "as is" basis; to the maximum extent permitted by law, IPMonitor disclaims all representations and warranties, express or implied, with respect to any information contained in this report. In addition, IPMonitor does not represent or warrant that the information contained in this report is accurate, complete or current.

This disclaimer of liability applies to any damages or injury caused by any failure of performance, error, omission, interruption, deletion, defect, delay in operation or transmission, computer virus, communication line failure, theft or destruction or unauthorized access to, alteration of, or use of record, whether for breach of contract, tortious behavior, negligence, or under any other cause of action.

## Copyright

The content of this report may be protected by copyright laws and treaties around the world and all rights relating to the same are reserved. Any paper or digital copies of this report are not to be modified or any illustrations or any graphics used separately from any accompanying text.

## Arbitration

Any dispute or difference whatsoever arising out of or in connection with this report shall be submitted to arbitration in accordance with, and subject to, The Institute of Arbitrators & Mediators Australia Rules for the Conduct of Commercial Arbitrations.

IPMonitor reserves the right to update the Terms and Conditions at any time without notice. Please see the full Terms and Conditions at [www.IPMonitor.com.au/trademarks/info/terms](http://www.IPMonitor.com.au/trademarks/info/terms)
