## 1 event

322 results matching for 'Standard Patents Sealed' during September 2009.

| Number                     | Title                                                                                                                      | Date        |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------|-------------|
| <a href="#">2002219786</a> | Credit sequencing and dispensation device and method                                                                       | 30 Sep 2009 |
| <a href="#">2002318266</a> | Integrated process for synthesizing alcohols, ethers, and olefins from alkanes                                             | 30 Sep 2009 |
| <a href="#">2002322096</a> | Gaming system including portable game devices                                                                              | 30 Sep 2009 |
| <a href="#">2002322199</a> | A method of diagnosis and treatment and agents useful for same                                                             | 30 Sep 2009 |
| <a href="#">2002323477</a> | Formed in place fixation system with thermal acceleration                                                                  | 30 Sep 2009 |
| <a href="#">2002329644</a> | Player tracking communication mechanisms in a gaming machine                                                               | 30 Sep 2009 |
| <a href="#">2002329890</a> | Method of imaging subsurface formations using a virtual source array                                                       | 30 Sep 2009 |
| <a href="#">2002330774</a> | Process for resolution of tamsulosin                                                                                       | 30 Sep 2009 |
| <a href="#">2002335928</a> | Gaming machin display                                                                                                      | 30 Sep 2009 |
| <a href="#">2002343464</a> | Biological control of nanoparticles                                                                                        | 30 Sep 2009 |
| <a href="#">2002348579</a> | Wireless gaming machine                                                                                                    | 30 Sep 2009 |
| <a href="#">2002357942</a> | Device for stacking and unstacking objects                                                                                 | 30 Sep 2009 |
| <a href="#">2002358086</a> | Podophyllotoxins as antiproliferative agents                                                                               | 30 Sep 2009 |
| <a href="#">2002360678</a> | Composition, synthesis, and therapeutic applications of polyamines                                                         | 30 Sep 2009 |
| <a href="#">2002361837</a> | Methods and apparatus for implementing virtualization of storage within a storage area network through a virtual enclosure | 30 Sep 2009 |
| <a href="#">2002364752</a> | Digital content distribution system                                                                                        | 30 Sep 2009 |
| <a href="#">2003200105</a> | Olefin production from low sulfur hydrocarbon fractions                                                                    | 30 Sep 2009 |
| <a href="#">2003200561</a> | Drill bit                                                                                                                  | 30 Sep 2009 |
| <a href="#">2003202409</a> | Method and device for defining elastic deformations and integral angle of a gyratory compactor                             | 30 Sep 2009 |
| <a href="#">2003203986</a> | Plastic bag                                                                                                                | 30 Sep 2009 |
| <a href="#">2003204042</a> | Reclosable packaging container                                                                                             | 30 Sep 2009 |
| <a href="#">2003204264</a> | Automatic data logging kit and method                                                                                      | 30 Sep 2009 |
| <a href="#">2003204271</a> | Improved method and apparatus for laying roadway materials                                                                 | 30 Sep 2009 |
| <a href="#">2003210172</a> | Novel fluorene carboxylic acid esters, methods for the production thereof, and use of the same as pharmaceuticals          | 30 Sep 2009 |
| <a href="#">2003210885</a> | Albumin-fused kunitz domain peptides                                                                                       | 30 Sep 2009 |
| <a href="#">2003211537</a> | Novel crystals of 5-hydroxycarbamimidoyl-2-hydroxybenzenesulfonamide derivative                                            | 30 Sep 2009 |
| <a href="#">2003213215</a> | Apparatus and method of operating a gaming device having a central game and a plurality of peripheral games                | 30 Sep 2009 |
| <a href="#">2003213296</a> | Shunt valve locking mechanism                                                                                              | 30 Sep 2009 |
| <a href="#">2003215740</a> | Copy protection system for data carriers                                                                                   | 30 Sep 2009 |
| <a href="#">2003217958</a> | Method and system for processing credit card related transactions                                                          | 30 Sep 2009 |
| <a href="#">2003219805</a> | Electroporation methods for introducing bioactive agents into cells                                                        | 30 Sep 2009 |
| <a href="#">2003220234</a> | Pari-mutuel sports wagering system                                                                                         | 30 Sep 2009 |
| <a href="#">2003221870</a> | Heterogeneous protein networks crosslinked with silicone-containing links, and methods for producing them                  | 30 Sep 2009 |
| <a href="#">2003223162</a> | Adult human olfactory stem cell                                                                                            | 30 Sep 2009 |
| <a href="#">2003223255</a> | Advertising panel and process of making same                                                                               | 30 Sep 2009 |
| <a href="#">2003225256</a> | Novel tissue factor targeted thrombomodulin fusion proteins as anticoagulants                                              | 30 Sep 2009 |

| Number                     | Title                                                                                                                                                     | Date        |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| <a href="#">2003227525</a> | Whey protein hydrolysate                                                                                                                                  | 30 Sep 2009 |
| <a href="#">2003227817</a> | Method and device for clarification of liquids, particularly water, loaded with material in suspension                                                    | 30 Sep 2009 |
| <a href="#">2003230226</a> | A gymnastic machine and methods for using it, for training and/or rehabilitation of the muscles and joints of the human body                              | 30 Sep 2009 |
| <a href="#">2003230256</a> | Method and device for controlling drug pharmacokinetics                                                                                                   | 30 Sep 2009 |
| <a href="#">2003230380</a> | Filter apparatus and method                                                                                                                               | 30 Sep 2009 |
| <a href="#">2003230600</a> | An inhalation system for prevention and treatment of intracellular infections                                                                             | 30 Sep 2009 |
| <a href="#">2003230843</a> | Initializing relationships between devices in a network                                                                                                   | 30 Sep 2009 |
| <a href="#">2003232456</a> | CD16A binding proteins and use for the treatment of immune disorders                                                                                      | 30 Sep 2009 |
| <a href="#">2003233412</a> | Slow release nitrogen fertilizer                                                                                                                          | 30 Sep 2009 |
| <a href="#">2003233722</a> | Method and device for pitch enhancement of decoded speech                                                                                                 | 30 Sep 2009 |
| <a href="#">2003233737</a> | Method and system for managing message-based applications and applications providers in a communications network                                          | 30 Sep 2009 |
| <a href="#">2003234464</a> | Protein kinase modulators and methods of use                                                                                                              | 30 Sep 2009 |
| <a href="#">2003234642</a> | Anti-inflammatory compositions and methods of use                                                                                                         | 30 Sep 2009 |
| <a href="#">2003234755</a> | A gaming machine with variable trigger                                                                                                                    | 30 Sep 2009 |
| <a href="#">2003236886</a> | Liquid container closure assembly                                                                                                                         | 30 Sep 2009 |
| <a href="#">2003239126</a> | Reconstruction of the spectrum of an audiosignal with incomplete spectrum based on frequency translation                                                  | 30 Sep 2009 |
| <a href="#">2003239585</a> | Low molecular weight protein tyrosine phosphatase (LMW-PTP) as diagnostic and therapeutic target                                                          | 30 Sep 2009 |
| <a href="#">2003243419</a> | Method for removal of biofilm                                                                                                                             | 30 Sep 2009 |
| <a href="#">2003243929</a> | GLP-1 and methods for treating diabetes                                                                                                                   | 30 Sep 2009 |
| <a href="#">2003245908</a> | Plant for urea production                                                                                                                                 | 30 Sep 2009 |
| <a href="#">2003246432</a> | ROLLING DOOR                                                                                                                                              | 30 Sep 2009 |
| <a href="#">2003250376</a> | Medical needle assemblies                                                                                                                                 | 30 Sep 2009 |
| <a href="#">2003250495</a> | A treatment solution and method for preventing posterior capsular opacification by selectively inducing detachment and/or death of lens epithelial cells  | 30 Sep 2009 |
| <a href="#">2003251484</a> | Beverages containing plant sterols                                                                                                                        | 30 Sep 2009 |
| <a href="#">2003252715</a> | Antagonist of melanin-concentrating hormone receptor comprising benzimidazole derivative as active ingredient                                             | 30 Sep 2009 |

# Terms and Conditions

## General

The information provided in this report is not in the nature of legal or other professional advice.

The information provided in this report is derived from third parties and may contain errors. You must make your own enquiries and seek independent advice from the relevant industry professionals regarding any information in this report.

Patents, patent applications, trademarks and trademark applications shown as lapsed or ceased may be restored at a later date.

## Disclaimer of warranty and limitation of liability

Neither IPMonitor, its affiliates nor any of their respective employees, agents, third party content providers or licensors warrant that the information contained in this report is error free; nor do they make any warranty as to the accuracy, reliability or content of any information in this report.

This report is provided on an "as is" basis; to the maximum extent permitted by law, IPMonitor disclaims all representations and warranties, express or implied, with respect to any information contained in this report. In addition, IPMonitor does not represent or warrant that the information contained in this report is accurate, complete or current.

This disclaimer of liability applies to any damages or injury caused by any failure of performance, error, omission, interruption, deletion, defect, delay in operation or transmission, computer virus, communication line failure, theft or destruction or unauthorized access to, alteration of, or use of record, whether for breach of contract, tortious behavior, negligence, or under any other cause of action.

## Copyright

The content of this report may be protected by copyright laws and treaties around the world and all rights relating to the same are reserved. Any paper or digital copies of this report are not to be modified or any illustrations or any graphics used separately from any accompanying text.

## Arbitration

Any dispute or difference whatsoever arising out of or in connection with this report shall be submitted to arbitration in accordance with, and subject to, The Institute of Arbitrators & Mediators Australia Rules for the Conduct of Commercial Arbitrations.

IPMonitor reserves the right to update the Terms and Conditions at any time without notice. Please see the full Terms and Conditions at [www.IPMonitor.com.au/trademarks/info/terms](http://www.IPMonitor.com.au/trademarks/info/terms)
